Hello,

This is a brief letter of reference on behalf of Francis Guilherme, who has worked on a part-time basis for me throughout 2015.

I am the owner and operator of Bubble Ball Soccer and we plan and coordinate safe, fun and engaging events for individuals and corporate clients throughout southern Ontario. Our clients expect us to be responsive, reliable, punctual, safety-conscious and always professional when doing our work and dealing directly with customers - Francis has never disappointed me.

He is a self-starter, eager to learn, always respectful, works efficiently on his own and equally well with other team members to reach common goals.

I recommend him without hesitation and am confident that he would be an excellent addition to an organization that would benefit from his enthusiasm, genuine thoughtfulness and desire to please.

Do not hesitate to reach out to me, if you require additional information.

Regards,
