Command

## Connectedness

### Shared Theme Description

People who are especially talented in the Connectedness theme have faith in the links between all things. They believe there are few coincidences and that almost every event has a reason.

### Your Personalized Strengths Insights

*What makes you stand out?*

It's very likely that you intentionally get to know people individually in your quest to gain wisdom. Discovering the qualities that distinguish someone from everyone else is an essential aspect of your personal search for truth. Chances are good that you trust you can deal with whatever happens. You rely on your core values to sustain you in the face of uncertainty. The principles by which you live allow you to accept life's unexpected events and unpredictable circumstances. Driven by your talents, you may enjoy the company of people who have faced and conquered some of life's difficulties. Perhaps they have gained wisdom you lack. Occasionally you benefit from their philosophical insights. By nature, you conclude that your life is more meaningful and you are happier when you can dedicate yourself to something of importance to humankind. It can be something simple rather than something grand. You sense your acts of kindness influence individuals to perform good deeds. You are likely to inspire generosity in many people. Because of your strengths, you feel very pleased with yourself and life in general when your words and deeds align with your fundamental values.

## Input

### Shared Theme Description

People who are especially talented in the Input theme have a craving to know more. Often they like to collect and archive all kinds of information.

### Your Personalized Strengths Insights

*What makes you stand out?*

Driven by your talents, you possess the physical and mental endurance needed to spend hours studying, reading, or researching. The more you know, the more questions you have to ask. Your diligence reflects your need to work harder and longer than most people can. You set lofty goals for yourself and relentlessly pursue them. Once you have reached your objective, you direct much of your energy toward a second goal. You are self-motivated. You prefer to push yourself rather than relax. By nature, you employ your passion for reading to collect lots of good ideas for resolving issues, fixing mistakes, or overcoming obstacles. The act of reading allows you to generate options for dealing with all sorts of predicaments — that is, difficult, perplexing, or trying situations. It's very likely that you may trust yourself to decide when to use intricate, sophisticated, or complicated words. Perhaps you enjoy inserting academic or professional terminology into your conversations, debates, and correspondence. Sometimes you reinforce your knowledge and build your confidence by using your extensive vocabulary. Maybe difficult-to-understand words give you an advantage that some people lack. Instinctively, you acknowledge that you sometimes reduce elaborate procedures, ideas, regulations, or systems to their basic parts. This partially explains why you can tell some individuals how certain things operate. Because of your strengths, you sometimes enjoy instructing others. Because you like to read, you probably have more information to share with your students than some educators do. The individuals you tutor benefit from the facts or insights you gather from the printed page or the computer screen.

## Achiever

### Shared Theme Description

People who are especially talented in the Achiever theme have a great deal of stamina and work hard. They take great satisfaction from being busy and productive.

### Your Personalized Strengths Insights

*What makes you stand out?*

Driven by your talents, you now and then push yourself when the situation demands you work diligently. By nature, you may be able to concentrate on one subject for extended periods of time. This partially explains why you understand the inner workings of particular plans, projects, policies, or processes. Perhaps the knowledge you acquire permits you to figure out the reasons why something does or does not function properly. It's very likely that you occasionally dedicate yourself to acquiring certain kinds of knowledge or skills. You might devote many hours to mental labor. Because of your

strengths, you sometimes devote your energies to pinpointing what makes people special and unique. Perhaps this knowledge permits you to inspire individuals to do some of their finest work. Chances are good that you may ignore distractions to concentrate on your assignments. Sometimes you keep reading, researching, experimenting, or writing until you know all you need to know about a particular subject. You might not rest until you have mastered certain concepts, committed important information to memory, or completed specific course requirements.

## Relator

### Shared Theme Description

People who are especially talented in the Relator theme enjoy close relationships with others. They find deep satisfaction in working hard with friends to achieve a goal.

### Your Personalized Strengths Insights

*What makes you stand out?*

By nature, you feel upbeat and cheerful when you keep busy. Without question, you derive much satisfaction from producing tangible outcomes. Because of your strengths, you might be honest with yourself about yourself. Perhaps your personal integrity tells you the right thing to do in many situations. Driven by your talents, you feel most fulfilled when you are busy and simply performing routine tasks. When you have nothing to do, typically you find something to do. Sitting around and wasting time does not suit you at all. Chances are good that you might be an individual who wants to know a little bit about the hopes or objectives of each group member. Perhaps the more you understand people, the easier it is for you to establish or sustain personal partnerships with them. Instinctively, you occasionally dedicate time to reading, listening, or scrutinizing facts as well as ideas. Consequently, some people seek your counsel. Why? They might recognize your talent and/or knowledge. Maybe you are a valuable source of information for your family, friends, colleagues, coworkers, or classmates.

## Command

### Shared Theme Description

People who are especially talented in the Command theme have presence. They can take control of a situation and make decisions.

### Your Personalized Strengths Insights

*What makes you stand out?*

Driven by your talents, you sometimes feel comfortable sharing your original ideas with groups. Perhaps they welcome your innovations. Maybe they realize you suggest novel ways of doing things they would never have considered. It's very likely that you might be the person who shares the most innovative ideas during brainstorming sessions. Perhaps knowing this about yourself inspires you to be even more prepared for meetings, activities, conversations, or debates. Because of your strengths,

you might be the person in a group who easily explains how and why some things operate. Perhaps you cannot remain silent when a creative idea or a novel solution comes to mind. To some degree, you feel restless until you can share your thoughts. By nature, you may influence some of your friends to make things happen quickly. Sometimes you create enthusiasm in others by championing a particular project, rule, process, activity, or idea. Chances are good that you have a knack for becoming well acquainted with people. You thoughtfully observe, listen, and ask questions to understand each one better. You probably support individuals when they encounter problems, setbacks, or obstacles. You frequently give emotional support. You often contribute resources, such as money, supplies, or time. You routinely introduce individuals to people they need to know. You regularly create opportunities that match their talents.
